DEFENDANTS HITACHI CHEMICAL,

AND RUBYCON, AND APPROVING  
THE PLAN OF ALLOCATION**

Date: October 18, 2018  
Time: 10:00 A.M.  
Judge: Hon. James Donato  
Courtroom: 11, 19<sup>th</sup> Floor

1 This matter has come before the Court to determine whether there is any cause why this  
2 Court should not approve Indirect Purchaser Plaintiffs' ("IPPs") settlements with Settling  
3 Defendants (1) Hitachi Chemical Co., Ltd, Hitachi AIC Inc., and Hitachi Chemical Co. America,  
4 Ltd. (collectively, "Hitachi Chemical"); (2) Soshin Electric Co., Ltd and Soshin Electronics of  
5 America, Inc. (together, "Soshin"); (3) Holystone Enterprise Co., Ltd, Holy Stone Holdings Co.,  
6 Ltd, Holy Stone Polytech Co., Ltd, and Milestone Global Technology, Inc. (collectively, "Holy  
7 Stone"); (4) Nippon Chemi-Con Corp. and United Chemi-Con Corp. (together, "NCC/UCC");  
8 and (5) Rubycon Corp. and Rubycon America Inc. (together, "Rubycon"); and approve IPPs' Plan  
9 of Allocation. The Court, having reviewed the motion, the Settlement Agreements, the pleadings  
10 and other papers on file in this action, and the statements of counsel and the parties, including at  
11 the October 18, 2018 Fairness Hearing, hereby finds that the Settlements and Plan of Allocation  
12 should be approved. Accordingly, the Court enters this Order of Final Approval.

13 Good cause appearing therefore:

14 **IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:**

15 1. The Court has jurisdiction over the subject matter of this litigation, and all actions  
16 within this litigation (collectively, the "Action") and over the parties to the Settlement  
17 Agreements, including all members of the Settlement Classes and the Settling Defendants.

18 2. For purposes of this Order, except as otherwise set forth herein, the Court  
19 incorporates the definitions contained in the Settlement Agreements [ECF Nos. 1844-3, 1844-4,  
20 2099-3, 2099-4, and 2099-5].

21 3. The Court hereby finally approves and confirms the settlements set forth in the  
22 Settlement Agreements between Class Representatives and the Settling Defendants, and finds that  
23 said settlements are, in all respects, fair, reasonable, and adequate to the Settlement Classes  
24 pursuant to Rule 23 of the Federal Rules of Civil Procedure.

1           5.       These settlement classes shall be referred to herein as the “Settlement Classes.”

2           6.       The Court finds the prerequisites to a class action under Federal Rule of Civil  
3 Procedure 23(a) have been satisfied for settlement purposes by each of the Settlement Classes in  
4 that:

5                 a.       there are at least thousands of geographically dispersed settlement class  
6 members, making joinder of all members impracticable;

7                 b.       there are questions of law and fact common to the settlement classes which  
8 predominate over individual issues

9                 c.       the claims or defenses of the class representatives are typical of the claims  
10 or defenses of the settlement classes;

11                d.       the Indirect Purchaser Plaintiffs will fairly and adequately protect the  
12 interests of the settlement classes, and have retained counsel experienced in antitrust class  
13 action litigation who have, and will continue to, adequately represent the settlement classes; and

14                e.       resolution through class settlements is superior to individual settlements.

15           7.       The Court finds that this Action may be maintained as a class action under Federal  
16 Rule of Civil Procedure 23(b)(3) for settlement because: (i) questions of fact and law common to  
17 members of the Settlement Classes predominate over any questions affecting only the claims of  
18 individual members; and (ii) a class action is superior to other available methods for the fair and  
19 efficient adjudication of this controversy.

20           8.       Pursuant to Federal Rule of Civil Procedure 23(g), the Court hereby confirms that  
21 Cotchett, Pitre & McCarthy LLP is appointed as Settlement Class Counsel, and that Indirect  
22 Purchaser Plaintiffs Michael Brooks, CAE Sound, Steve Wong, Toy-Knowlogy Inc., AGS  
23 Devices Co., AGS Devices Ltd., J&O Electronics, Nebraska Dynamics, Inc., Angstrom, Inc.,  
24 MakersLED and In Home Tech Solutions, Inc. are appointed to serve as Class Representatives on  
25 behalf of the Settlement Classes.

26           9.       IPPs’ notice of the Class Settlements to the Settlement Classes was the best notice  
27 practicable under the circumstances. The notice satisfied due process and provided adequate  
28

1 information to the Settlement Classes of all matters relating to the Class Settlements, and fully  
2 satisfied the requirements of Federal Rules of Civil Procedure 23(c)(2) and (e)(1).

3 10. The persons and entities identified in Exhibit A to this [proposed] Order have  
4 timely and validly requested exclusion from the Settlement Classes and, therefore, are excluded  
5 from those Settlement Classes identified. Such persons and entities are not included in or bound  
6 by this Order as it relates to the specific settlement or settlements for which they opted-out. Such  
7 persons and entities are not entitled to any recovery of the settlement proceeds obtained through  
8 these Class Settlements.

9 11. No valid objections were filed regarding any of the Class Settlements.

10 12. The Court finds that IPPs' proposed Plan of Allocation, proposing to pay putative  
11 Class Members on a *pro rata* basis based on qualifying purchases of capacitors and on the type  
12 and extent of injury suffered by each class member in those states which permit indirect purchaser  
13 claims is fair, reasonable, and adequate. *In re Citric Acid Antitrust Litig.*, 145 F. Supp. 2d 1152,  
14 1154 (N.D. Cal. 2001). The Plan of Allocation does not unfairly favor any Class Member, or  
15 group of Class Members, to the detriment of others. The Plan of Allocation being approved  
16 herein is the same Plan that has previously been approved by this Court in connection with earlier  
17 settlements in this case.

18 13. Without affecting the finality of this Order in any way, this Court hereby retains  
19 continuing jurisdiction over:

- 20 a. implementation of these settlements and any distribution to members of the  
21 Settlement Classes pursuant to further orders of this Court;
- 22 b. disposition of the Settlement Fund;
- 23 c. determining attorneys' fees, costs, expenses, and interest;
- 24 d. the Action until Final Judgment contemplated hereby has become effective and  
25 each and every act agreed to be performed by the parties all have been  
26 performed pursuant to the Settlement Agreements;

1 e. hearing and ruling on any matters relating to the plan of allocation of  
2 settlement proceeds; and

3 f. all parties to the Action and Releasing Parties, for the purpose of enforcing and  
4 administering the Settlement Agreements and the mutual releases and other  
5 documents contemplated by, or executed in connection with the Agreement.

6 14. The Court finds, pursuant to Rules 54(a) and (b) of the Federal Rules of Civil  
7 Procedure, that Final Judgments of Dismissal with prejudice as to the Settling Defendants  
8 (“Judgments”) should be entered forthwith and further finds that there is no just reason for delay  
9 in the entry of the Judgments, as Final Judgments, in accordance with the Settlement Agreements.

10 **IT IS SO ORDERED.**
